Box Tops for Education

Congratulations to the first, second and fourth grades on bringing in the most Box Tops in their categories. Students and teachers turned in a total 4,680 Box Tops during the first quarter. This is a great start to our program this year, but represents less than 7 Box Tops collected per student. During the second quarter our goal is to collect 10 Box Tops per student. Look for your flyer in an upcoming Tuesday folder!

Tyson Project A+

We collected 42 Tyson labels during the first quarter. These labels are worth 24¢ each and add up fast, so keep 'em coming!

Drink Pouch Brigade

Due to ants collecting along with the drink pouches, we had to remove the drink pouch collection bag from the cafeteria. Many of the drink pouches thrown in the bag by the kids were not empty and created a bit of a mess. HOWEVER, the good news is that the enthusiasm for the collection was an unparalleled success! We collected over 300 pouches in less than two weeks! We'd like to continue to collect the pouches, but with less mess. We are putting the collection bag in the front entrance and are asking parents to collect the pouches at home, make sure they're empty with straws removed, and then bring them in to school and drop in the collection bag. THANKS for helping to keep those pouches out of our landfills!
